12 IN 6 CABINS

CREW

15

An aerial photograph of a large, white motor yacht cruising on the open ocean. The yacht is viewed from a high angle, showing its multiple decks and a complex superstructure with two large white radar domes. The yacht is moving towards the bottom of the frame, leaving a white wake. Two smaller motor tenders are visible in the water, one to the left and one to the right of the yacht. The water is a deep, dark blue.
